

Welcome to fourth grade!
We are excited to embark on a new school year together!

As we shared with the students in June, please continue to review your skills for the rest of the summer. **Remember to read (and write your two reports), memorize your math facts, practice cursive writing, remain familiar with keyboarding, and spend the night away from home.**

One important trip to mark on your calendars is our voyage to **Camp Cheerio**, near Roaring Gap, North Carolina. This will take place on October 3 - 5. We wanted to alert you to this ahead of time due the cost of the trip. The total cost of the trip will be approximately \$180. We are very sensitive to beginning of the year expenses, and will help alleviate “the pain” as much as possible! To help do this, we will divide the cost into three installments. The first installment of \$60 will be due (along with other fees) on Meet the Teacher Day. After that, two more payments of approximately \$60 each will be collected in September and October. Please let us know if you have any questions or concerns regarding payments. You may also notify Trish Villareal.

We look forward to seeing you at **Meet the Teacher Day** on Monday, August 15. That morning, you will discover your child’s homeroom teacher and receive some important papers from both the school and fourth grade. Also, be sure to sign up for MaP, pizza sales, after-school programs, buy an agenda, t-shirts, etc.

Below, you will find a **supply list**. Please read carefully! It is crucial to have your supplies on the first day of school. If you’d like, you may also bring them on the Monday of your visit. The fourth grade team will also be asking for “wish list” items during the beginning of school. Check the hallway bulletin board if your family would like to contribute additional items. Thanks! ☺

Enjoy the rest of your summer!
Your fourth grade team,

Wendy Blewett

George Coccarelli

Maria Morton

Cheryl Muncie

FOURTH GRADE SUPPLY LIST

2011 – 2012

All Students:

- Magellan student agenda (available at Meet the Teacher Day)
